W. E. BENSON,
Sec'y Retail Merchants Assn.

Mr. and Mrs. G. C. Vaught, of Hobart, Okla., came down Sunday to spend a week in Hamlin. They own two good business houses in Hamlin, the Clover Farm store and the first building south, the older York store. Mr. Vaught says these houses are NOT for sale. That means he still thinks Hamlin a good town to hold property in. Mr. Vaught represents a monument firm in Hobart, Okla. He formerly lived in Knox City.

You will profit by taking advantage of the dollar specials at Magee's Beauty Shop.

Floyd M. Erving of Sweetwater, is with the Safeway Store as assistant in handling the folks at the cashier's counter.

J. M. JOHNSON DIED TUESDAY EVENING

Funeral services were held at the McCaulley Baptist church Wednesday afternoon at 2:00 o'clock for J. M. Johnson, who died at his farm home about three miles northwest of McCaulley, Tuesday evening at 7 o'clock. Pastor John P. Hardesty conducted the services, assisted by the Rev. C. E. Dick, a former pastor of the McCaulley church. Burial was in the Swedonia cemetery by the side of his wife, who died six years ago.

John Malcolm Johnson was born near Stockholm, Sweden, Feb. 4, 1866. He came with his parents to America while a small boy. The family settled in Fisher County nearly a half century ago.

Mr. Johnson was married to Annie Elizabeth Middleton, September 30, 1898. To this union nine children were born, eight now living. His children are: Mrs. C. F. Stovall, Snyder; Mrs. J. E. Wheeler, Lorenzo; Mrs. Jesse Wood, Abilene; A. M. Johnson, Fort Worth; C. E. Johnson, Loving; and W. C., Edwin and Jack Johnson, McCaulley. Two brothers, Chas. A. Johnson, Georgetown and M. R. Johnson, Bethany, Oklahoma and three sisters, Mrs. W. E. Fisher, Rotan; Mrs. N. G. Barrett, Olton and Mrs. R. L. Walker, Meridian, also survive. All of his children and his brothers and sisters were present at the funeral. All the children and the grand-children except one were present.

Mr. Johnson was a deacon in the McCaulley Baptist church, and the other members of the board of deacons served as pall bearers. They are: M. L. Akins, W. T. Farrow, B. F. Short, D. L. Smith, A. A. Callaway and Earnest Webb. Six of his granddaughters acted as flower girls. They are: Ruth Wheeler, Lois, Nora May, and Alta Stovall and Mrs. Mady Lee Murray. Son-in-laws present were: C. F. Stovall, Snyder; J. E. Wheeler, Lorenzo and Jesse Wood, Abilene.

Brother-in-laws present were: N. G. Barrett, Olton, and Rev. W. E. Fisher, Rotan.

NOTICE OF BIDS

The City Council of the City of Hamlin, Texas, will at its next regular meeting, November 15, 1938, receive sealed bids for the custody of the City Funds for the ensuing year. The Council reserves the right to reject any or all bids. All bids must be in the office of the City Secretary before 8:00 P. M. Tuesday, November 15, 1938.

J. B. EAKIN, City Secretary. (-2t)

L. P. COZZENS DIED AT ABILENE HOME

The many friends of L. P. Cozzens, a former citizen of the Neinda community, and Hamlin, were grieved to learn of his death at his home in Abilene, on Friday, October 28. Mr. Cozzens had been ill about three weeks.

The Herald desires to speak of Mr. Cozzens as our former neighbor and intimate friend. Even in the days before he left his good farm west of Neinda he was our closest friend and in that way we always found him. He had a kindly face and a cheering, sympathetic smile. In the gloomy days of the World War, mid drouths and many trials, our friend would come in from his farm late at night and seeing lights in the Herald office would come by and insist that we had worked long enough and offer a ride in his Ford car to our home. He was an old-fashioned citizen of the highest ideals, very energetic. Texas has lost one of her finest adopted sons.

Lorenzo P. Cozzens was born in Lorene, Ohio, March 14, 1855, which tells us that he was 83 years, 7 months and 14 days of age. He was married twice, the first wife being Carrie Sammons to whom he was united in 1878. With this companion Texas became his home in 1882 when they moved to Abilene. Two years later they moved to their farm near Merkel and in 1898 the family moved to the farm near Neinda. The first Mrs. Cozzens passed away in 1899, and in 1911 he was married to Mrs. Deliah Willis of Hamlin. After about ten years as a citizen of Hamlin they moved to Abilene.

Mr. Cozzens had been a member of the Methodist Church since early life.

Survivors include the wife; three daughters, Mrs. E. E. Wheeler of Tulsa, Mrs. Rhoda Hartman of Houston and Mrs. C. S. Holden of Clyde; two sons, L. F. of Hamlin and S. M. of Captain, N. Mex.; and four step children, Mrs. Lillie Hill of Moody, Mrs. Vera Hooper of Hamlin, Deering Willis of Amarillo, and Mrs. W. C. Calhoun of Houston.

A funeral service was conducted at the home in Abilene, also at the Methodist Church at Neinda, Saturday afternoon in charge of Rev. F. J. Johnson of Tell and Rev. J. H. Hambley of Abilene. Burial was in the Neinda Cemetery.

RADIO and WINDCHARGER

I now can sell you a '39 model Radio and wind charger. They have come out with a mighty pretty radio this year. Will operate on a 6-volt battery or a 110 volt high line.

GERMANY TAKES PARTY REINS

Germany is the new Chairman of the State Democratic Executive Committee, elected at the recent State Democratic Convention in Beaumont.

Chairman Germany has called the new State Democratic Committee to meet in Mineral Wells on November 7th and organize the work of the party for the biennium.

German's career has much of the bound-to-win flavor. The 46-year old chairman was born in Nolan County; his boyhood was lived in Henderson and Van Zandt counties. His schooling in Grand Saline was aided by farm work and a job as janitor of the high school. Service as a janitor also helped finance his attendance at Southwestern University. Later, he taught school at Grand Saline. To his day-time teaching job, he added a night job of trucking salt at the Grand Saline salt mine.

His oil career began in Mexia, where he was employed as a geologist and land man. After several years of this work he became an oil producer himself. Since 1928, he has operated his own companies.

Germany has managed to crowd in many civic activities. He is now serving his third term as mayor of the town of Highland Park. For several years he has been vice-president of the Dallas Methodist Hospital and a director of the Scottish-Rite Hospital for Crippled Children. He is prominent in the affairs of the Lions Club, Hella Temple Shrine, the Y. M. C. A. and Y. W. C. A., and the Council of Church Men.

W. A. Albritton received a message Sunday morning from his wife in Port Arthur telling him of their new granddaughter who had just arrived at the home of Mr. and Mrs. O. D. Roland in Port Arthur. Mrs. Roland before her marriage was Miss Faye Albritton.

JOE W. BOYD WAS BURIED SUNDAY

Saturday morning the home of Mrs. Judson Boyd, in Southwest Hamlin was shocked to find that her son, Joe Boyd, had passed away sometime during the night.

Mr. Boyd had been dealing in cotton in Hamlin many years and a few days before his death he had complained that his heart was giving him some trouble. He was about his business on Friday as usual and even worked till about ten o'clock in the Yates & McCurdy Cotton Office over Inzer Pharmacy. His folks report that sometime in the night, perhaps after midnight they heard him up but no unusual noise. Joe W. Boyd was born Feb. 15, 1882. He is survived by his mother Mrs. Judson Boyd and one son, Buddy Boyd of South Texas and one daughter in California. The son was present for the funeral. He also has two brothers, Jud Boyd of Sweetwater and Arch Boyd of Rosebud, Texas.

Funeral services were conducted at the Methodist Church, Sunday afternoon by the pastor, Rev. Hanks. Interment was in Hamlin East Cemetery by the Barrow Co.

GAVE HIS DAD A CAR

Wednesday of last week L. T. Malone of Glendale, Arizona, drove up to the home of his parents, Mr. and Mrs. L. K. Malone four miles east of Hamlin and said, "Here is a new car as a present for you." Yes, sir, a new 1938 V-8. Now that's a son for you. L. T. Malone is one of the big Long Staple Cotton men of Arizona, and in a fuller statement . . . he is the largest "one man" producer in the U. S. A. He raised 735 bales last year and has already gathered 400 this season and expects 200 more.

No wonder a new V-8. He could have made it a bigger car, but Rev.

NICE LITTLE RAIN MUCH COOLER

This country is due some cold weather in November. It looks like it is here already. That was a nice little rain and a mighty hard wind that came Wednesday night.

The rain amounted to about a good half inch, maybe more in some communities. It will serve to set good the country for winter. There is not much wheat up in this immediate section, but a lot is ready and will likely come out after the rain.

Speaking of rain and wheat . . . it seems that the government program is practically killing the wheat industry in this section. Just this week one good farmer said he had about 320 acres of land and the government would not let him plant but about 12 acres. Just think of that! He said he had about decided to plant anything and any amount he cared to and take the consequences. If he could not sell what he makes he could feed it, or eat it, or do whatever he pleases. That idea is growing fast, and it may serve to untie the farmer from the present restrictions.

It looks bad for people to get things in a shape where a good rain does not stimulate a feeling of prosperity. This country is a great producer when it rains, and lets hope that the late rain will help all kinds of farm enterprises.

Miss Evelyn Cowyer of Mercury, Texas, returned to her home last week after spending three weeks here as a guest of Mr. and Mrs. Roy Gilbreath. She was accompanied home by Mr. and Mrs. Gilbreath the past week end.

Malone feels better in a Ford. He has worn out 2 cars; a model T and a Dodge. He will soon get up courage enough to drive the fast V-8—maybe.

BOOSTER PARADES

Hamlin people have been entertained frequently this fall by our various neighboring towns parading through our business section boosting their shows, fairs, picnics. Just this Thursday morning Ruleians by the dozens came dashing down our main street advertising their Armistice Day Rodeo or something. They put on a lot of noise, and let the world know that Rule had a lot of wide-awakes. One Hamlinite says, "Why don't Hamlin pull off a trade tour and toot their horn a bit in the ears of other people?" Then before an answer could be given, that same person gave the answer: "Hamlin people are too busy to go galavanting around over the country saying so and so for Hamlin." Anyway, one can never judge a town altogether by the fuss it makes. Glad to see our neighbors parade our streets. When they are here they are in the best town in West Texas, by heck! Come on boys. Hamlin men are mighty busy, but always enjoy our visitors.

WISE CHAPEL NEWS

(By Catherine Drake)

Most all the farmers are up with their cotton. Some are through for this year. All would like to see a big rain now.

Mr. and Mrs. Bow Lewis and two daughters, Mr. and Mrs. Dean Graf and daughter of Tolar, Texas, spent the week-end with Mrs. Lewis' sister, Mrs. Pat Wright and husband.

Mrs. Lillie Whitaker and children and Mrs. Carry Whitaker of Flat Top spent Sunday with Mr. and Mrs. David Whitaker and family.

We are sorry to report that Jerry Vaughan is very ill at the home of his grandparents, Mr. and Mrs. A. P. Proffitt.

Mr. and Mrs. J. R. Bonds of Hamlin spent Sunday with Mr. and Mrs. Joe Bonds and sons.

Several from this community went to the carnival at the Hamlin High School Saturday night.

Rev. Montgomery of Sweetwater, is going to preach at the Wise Chapel church Sunday, Nov. 6, at 11:00 o'clock. Lets every one come.

Fifty dollars were taken in at the box supper at the school house Monday night. The money will go for some lights for the school house. Lots of boxes and a large crowd.

LET THE MARINES HAVE OUR PRAISE

On November 10th, the United States Marine Corps will celebrate its 163rd birthday. On that day in the year 1775 a corps of Marines was created by a resolution of the Continental Congress. Since then, many thousand men have borne the name Marine. In memory of them it is fitting that the marines should commemorate the birthday of the corps by calling to mind the glories of its long and illustrious history.

The record of the corps is one which will bear comparison with that of the most famous military organizations in the world's history. From the Battle of Trenton to the Argonne, marines have won foremost honors in war that our country and its citizens might enjoy peace and security.

In every battle and skirmish since the birth of the corps marines have acquitted themselves with the greatest distinction. With it, the marines also receive from the eternal spirit that which has animated the corps from generation to generation and has been the distinguishing mark of the marines in every age. So long as that spirit continues to flourish marines will be found equal to every emergency in the future as they have been in the past, and the nation will regard them as worthy successors to the long line of illustrious men who have served as "Soldiers of the Sea" since the founding of the corps.

McCAULLEY MATTERS

By JOHN P. HARDESTY

Sorry to report that E. H. Mason is still confined to his home, suffering from fever.

J. W. Hendrickson is up and about after several days illness.

Mrs. W. H. Stephenson has been indisposed for several days but is convalescing.

Rector and Kean are rebuilding their blacksmith and machine shop on a new location, just east of the garage. This gives better protection in the winter and good breeze for the summer, provided we have a breeze.

Mr. and Mrs. G. W. Martin celebrated their fifty-second wedding anniversary last Sunday in their home in McCauley. Their three children, Frank Martin and his wife, Hamlin; Wiley Martin, Abilene, and Mrs. Chas. Eivens and husband were present. Also the following grandchildren: Jessie Faye Martin, Hamlin; Billie, Bobby and Patsy Martin, Abilene; Mrs. Milo Gray and husband, Sylvester; Mrs. W. E. Brown and husband, Amarillo; Mrs. G. S. Dean and husband, McCauley; Ellis Eivens and wife, McCauley. Great grandchildren present were Charles Miers and Sherry Maude Eivens, and Mary Frances Dean, McCauley. Three grandchildren, Bynum Nowell, Anson, Ernest Nowell, Poyote, and Otho Ray Martin, who is in the U. S. Navy, San Diego, Calif., were absent.

Mr. and Mrs. Martin were born in Arkansas, married in that state, and moved to Fisher County, settling in this community, in 1905. Their many friends wish them many happy returns of the day.

As this column is being written our neighbor and long-time resident of McCauley, J. M. Johnson, is gravely ill at his farm home three miles northwest of McCauley. All of his children have been called to his bedside. Also his sisters and brothers, and other relatives. All that human skill can do is being done for him. He has a host of friends he has made during the long years of his residence in this section. Should he pass away at this time, which seems quite probable, our community will lose one of the best of her citizens. (Later, Mr. Johnson passed away at 7 P. M. Tuesday.) A more extended account of his death will appear next week.

Rev. J. R. Bateman, Methodist pastor, is rounding out his fourth year on the McCauley charge. It would suit this writer and many others of his friends, if not every one, for the Bishop to return him to McCauley for another year. Personally, we have never worked in a community with a more agreeable Methodist pastor. Bro. Bateman has every interest that is for the betterment of his community at heart, and is very co-operative and aggressive in his efforts. Fortunate will be the community that has his services next year.

In the campaign for paying the debt on Lueders encampment Fisher County Baptists raised \$65 over the quota assigned them. They were asked for \$250. Receipts are \$315, with probably more to come in. Indications are that the entire amount of the debt has been raised by District 17.

12 JONES COUNTY GIRLS

ATTENDING T. S. C. W.

DENTON, Oct. 31.—Twelve Jones County girls are among the 2,700 students now enrolled at Texas State College for Women. Final tabulations show that the school is again the largest residential woman's college in the United States, with students from 220 Texas counties, 26 states and seven foreign countries.

Included in the Jones County list are Misses Helen Marie Akers, Lois F. Anderson and Ruth Isabell Eckler from Hamlin; Annie Evelyn Taylor from Hawley; Beverly Bernice Douthit and Mary Jean, Kell from Lueders; Mary Tom Boston, Dortha Raney Culwell, Mary Louise Doss, Helen L. Knowles, Errol Jean Russell and Susanne Russell from Stamford.

With opening activities completed, the students are now in the midst of a full schedule of work and entertainment, including classes all day, college and club picnics, dances, teas and other social affairs, and an unusually crowded calendar of dramatic, musical and other attractions on the Artists Course and Drama Series.

T. S. C. W. students will have their first holiday Nov. 5 for the A. & M.-S. M. U. game in Dallas, other holidays being scheduled for Thanksgiving, Nov. 23-28; Christmas, Dec. 17-Jan. 2; and Spring, April 6-12.

BUSINESS AND SOCIAL MEETING

FOR ALATHEAN CLASS

The Alathean Class of the First Baptist Church met in the home of Mrs. J. L. Keen, the teacher, Wednesday, Oct. 26 at 2:30, for their monthly social.

After two hours of games directed by Mmes. Harvey and Odom, a salad plate with cocoa was served.

A short business meeting was held. In the absence of Mrs. Jones, Mrs. Harvey presided as chairman.

Committees were appointed to start plans for the annual Thanksgiving luncheon. Meeting adjourned.

Members present were Mmes. Odom, Kinchen, Edd Brown, Cecil Brown, Moutlon, La Foy Patterson, Hallmark, Flennigan, Harvey, Rogers, Gardner, Maberry, Bond and Mrs. Keen, the hostess.

BAPTIST W. M. S. ENTERTAINED

WITH GOLDEN JUBILEE TEA

"Revive Us Again" was the opening number on the program given Monday afternoon at the First Baptist Church when the Woman's Missionary Society entertained with a Golden Jubilee Tea, commemorating the fiftieth anniversary of Baptist Women's organized work. Prayer was offered by Mrs. J. L. Keen after which "The Women's Hymn" was sung by the audience, directed by Mrs. W. C. Russell with Mrs. Earl Smith at the piano. Mrs. J. Henry Littleton gave the devotional, taking as a theme, "Promises of the Bible." This was followed by a vocal duet by Mrs. Russell and Mrs. Tra-week. Mrs. Keen gave a short talk, "The Purpose of the Golden Jubilee." Mrs. W. L. Boyd introduced a playlet, "A Backward Glance" which was presented by Mrs. M. Y. Wilson and members of the Lucille Reagan Circle.

The time of the play was some forty years ago; the setting "A Woman's Aid Society," with costumes and manners of yesterday which made it very effective. Mrs. O. G. Harvey presented a group of children from the Sunbeam band, who sang "Jesus Wants Me for a Sunbeam."

Mrs. W. D. Stell, sponsor of the Royal Ambassadors, gave "The Three Trumpet Calls," which included warning, prayer and service. She was assisted in this number by Loy Frye Jr. who did the trumpet solo part.

Following the program a pleasant social hour was held during which coffee and old-fashioned tea cakes

were served. One feature which caused much amusement was the contest "Who Is Who," where old time pictures of members were used.

For the occasion the reception rooms of the church was attractively decorated with autumn flowers. The social committee included Mrs. Tom Routh, Mrs. C. C. Prater and Mrs. Mac Brundage.

DOVIE NEWS

The Young Peoples Department met Sunday evening, Oct. 30, for a program on "Keeping Our Balance." This included a one act drama presented by Alvis Cooley, Opal Parker and Morris Bressire. Scripture reading was given by Miss Reed. Following the program Bro. Todd brought a message on Temperance.

Monday night a Hallowe'en entertainment was given at the Dovie school house. Various booths and games furnished the entertainment after which refreshments were served. Pub. Supt.

LOLETA UBBEN

CROWNED QUEEN OF
HAMLIN HIGH SCHOOL

In a colorful setting and beautiful ceremony Miss Loleta Ubben, queen of the senior class, was crowned queen of the Hamlin High School, Saturday evening in the High School Auditorium. The coronation ceremony was the climax of a successful carnival, the biggest of all school events of the year, which is sponsored each year by the Junior Class.

As Miss Mignon Waggoner softly played the march, De France Burton heralded the approach of Hamlin High School royalty. First came the queen of the junior class, Miss Maxine Brundage and her escort, J. E. Walton Jr., who took their place at the left of the throne. Miss Brundage wore an attractive evening gown of pink taffeta with black trimmings. She wore a black velvet band around her neck and a rhinestone clip in her hair. Miss Hope Cade, queen of the freshman class, with her escort, G. W. Turner, Jr. came next and took their place at the right of the throne. She wore an attractive frock of peach net over taffeta with sequin bodice and the new fashioned hoopskirt. The sophomore queen Miss Helen McCoy and her escort, John Brown, entered next and stood at the left of the junior queen and her escort. She was wearing a becoming evening gown of blue satin with puffed sleeves and dirndl skirt. Next came the crown bearer little Miss Nina Sue Burton dressed in a dainty pink satin frock with blue ribbons. She carried the glittering crown on a white satin pillow. The Senior queen, Miss Loleta Ubben, with her escort, Max Carlton, came to the stage last where she was seated on the throne and crowned queen of the Hamlin High School. She wore a becoming evening gown of blue duchess satin with shirred bodice and trimmings of wine velvet ribbon. The crowning of the High School queen is one of the outstanding

school events of the year and one in which each of the high school classes participates. More than 600 people witnessed the coronation ceremony.

OVER JONES COUNTY

By G. D. TRIPLETT, Sec'y
Anson Chamber of Commerce

The meanest thief has been discovered. While a son sat up with the body of his deceased mother, in this county, some one raided his henhouse and got away with over fifty hens.

This is the second time such an occurrence has happened in that vicinity of the county. Last year about this time a little daughter of a family was seriously ill in the hospital and while the family were at her bedside someone raided their henhouse and got over 100 hens. Both houses were in the same neighborhood.

J. W. Pritchett, Jones County poultryman, has received notice that he has been selected by a majority vote, in the three way contest, to judge the Texas Red Meet at the Heart of Texas Fair at Waco, December 14-18. Mr. Pritchett has judged several other shows this year.

Anson has been given a \$43,956 grant for a municipal swimming pool, park, golf course, bath houses, golf club house, wading pool and other improvements to the municipal park. This grant is in addition to city funds of \$12,000, bringing the total to approximately \$56,000.

A street marking project will begin in Anson on Tuesday, November 1. There will be 150 street markers placed in town. This is a

NYA-City project with the city furnishing materials and NYA the labor, estimated at 700 man hours.

ACHIEVEMENT DEMONSTRATIONS HELD FOR PLASTERCO CLUBS

"I improved my bed room with the expense of \$3.17 which I made sewing," said Mrs. W. B. Elkins, bedroom demonstrator for the Plasterco Home Demonstration Club at the achievement event, which was held in her home on Tuesday evening, Nov. 1.

The \$3.17 was spent for upholstering materials, curtains, varnish and enamel. Mrs. Elkins covered her floor, made or refinished her furniture, remodeled her clothes closet and made her bed standard.

"I planted 32 armorivera privets as a foundation planting and 30 lived," said Mrs. Rufus Fancher, yard improvement demonstrator at the achievement event in her home on Tuesday evening, Nov. 1. Besides this she has extended her fence 15 feet, resodded her lawn, planted a rose garden, planted dahlias in a dahlia bed and added a fish pond, bench and bird bath in the out door living room. Ring toss and bean board were two out door games which were added.

The following people attended the achievement event which was held in the homes of both demonstrators:

Mrs. and Mmes. George Erving, Wood Cowan, Glen Bond, N. Hemphill, W. B. Elkins, Barnes, John Dobie, C. R. Williams, E. Erving, Andy Anderson, Clifford Erving, Wilmoth Wallace, and J. W. Riddle; Mmes. Cyril Graham, Rufus Fancher, Ramon Elkins, Bruce Hallmark, Minnie Elkins, Jim Hudson, L. A. Eaton, Elam Ewing and Clifford Carr; Misses Theda Elkins and Vera Dell Anderson. Mr. Gene Eaton and Miss Vanoy, home demonstration agent, and Miss Hipp, assistant home demonstration agent.

SENIORS

The Senior class wishes to compliment the Juniors upon their success in putting on the Junior Halloween carnival. Through the efforts of the Junior class sponsor, Miss Faye Duncan, and others who participated in the Junior carnival, it was made one of the best carnivals that Hamlin High School has ever seen.

All the Seniors report that they had a swell time at the carnival and we deeply appreciate the patronage shown to us by the people of Hamlin and surrounding communities in visiting our booth "Casa Manana." There was a large crowd at every twenty minute show and we believe that every one got their money's worth.

The final counting of the votes at the "High School Queen and Escort Contest" Saturday night proved that the Hamlin Seniors are the leaders in school activities. With class spirit such as the Senior class now possesses, the seniors will continue to be the leaders in the future.

The Fords Tell Their Plans for 1939

IF WE KNEW anything better we could do for the country than make good motor cars, we would do it.

By every one doing his best in the job he thinks most useful, this country is going to regain its momentum. We have tried to do our best in our job.

When business was suddenly halted in its recovery more than a year ago, we determined that we should keep going anyway, if not at full-volume motor car production, then at getting ready for greater motor car values that would help future production.

EXPANDING FOR THE FUTURE

We began to build 34 million dollars' worth of new plants and equipment. We felt that if we could not employ all our men building motor cars, we would employ as many as we could building better production facilities.

We were told, of course, that this was no time for expansion, that a wiser business policy would be to "hold everything"—which means, stop everything. But no one ever got anywhere standing still.

Besides, we are not defeatists. We do not believe this country has seen its best days. We believe this country is yet in the infancy of its growth. We believe that every atom of faith invested in our Country and our People will be amply justified by the future. We believe America is just beginning. Never yet have our People seen real Prosperity. Never yet have we seen adequate Production. But we shall see it! That is the assurance in which we have built.

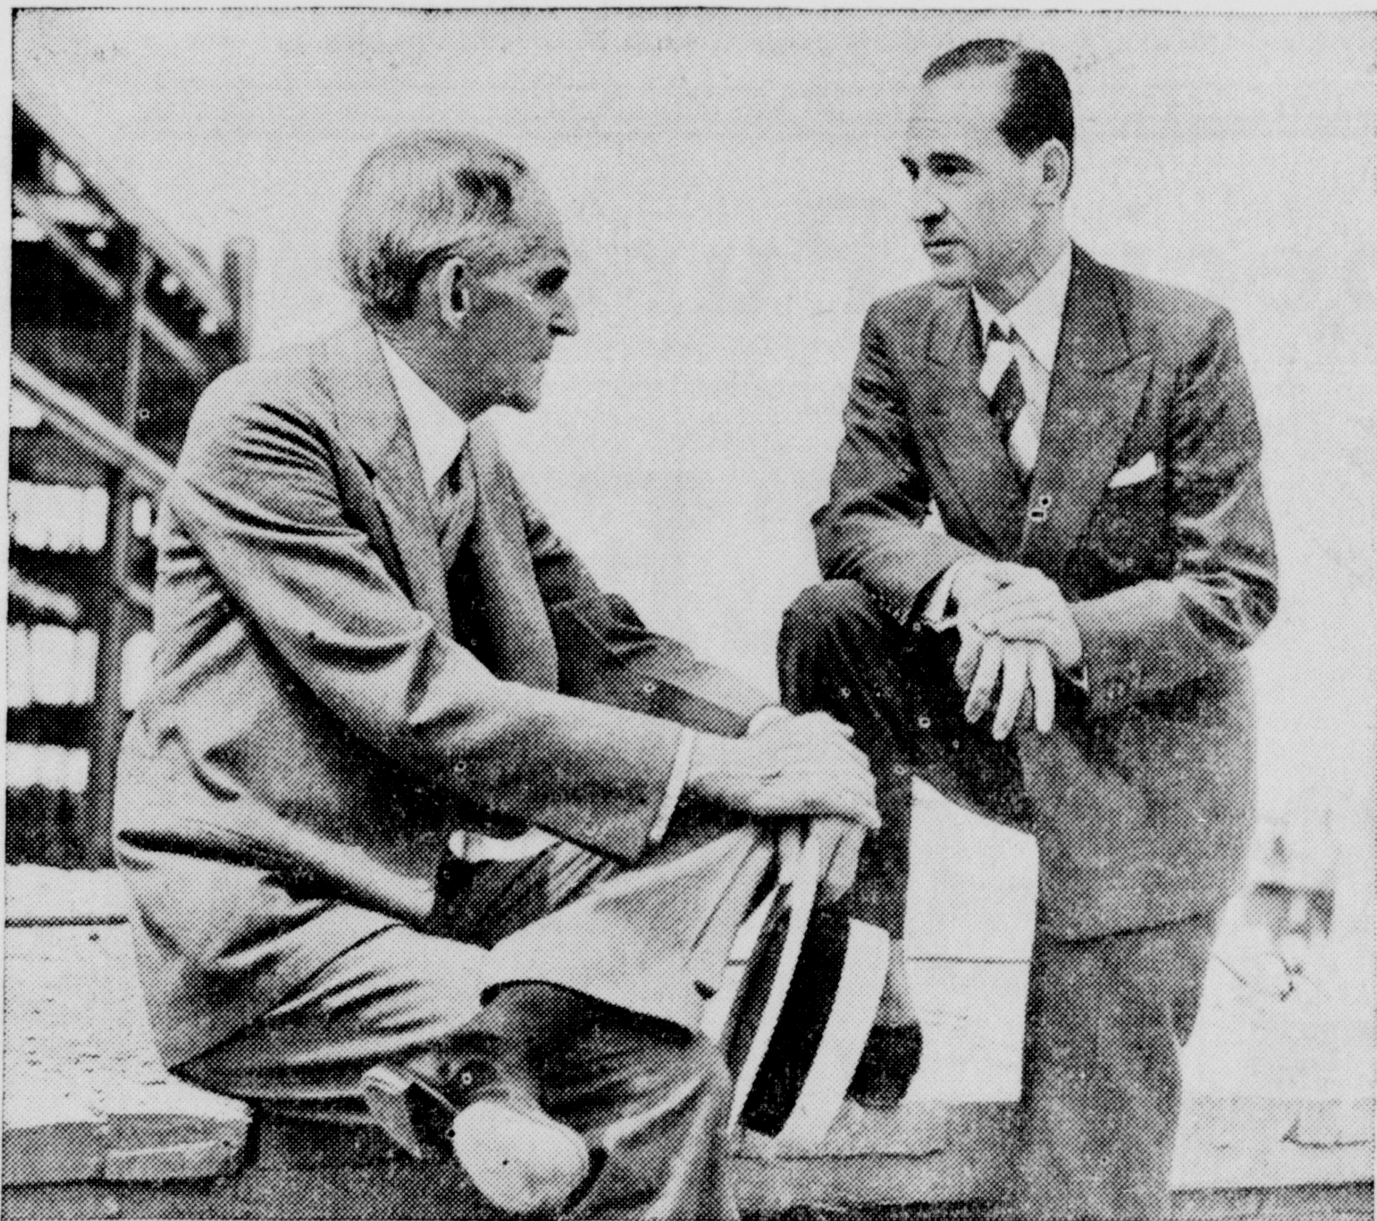

Business is not just coming back. It will have to be brought back. That is now becoming well understood in this country; for that reason 1939 will be a co-operative year. Manufacturers, sellers and buyers will co-operate to bring back the business that is waiting to be brought back.

This construction program is almost completed. It has increased activity and payrolls in a number of related industries. It has given us better facilities for building better cars and trucks, and eventually our new tractor which is being perfected.

THIS MEANS MORE VALUE

The current program has provided a new tire plant, which will turn out a part of our tire requirements... a new tool and die plant that will help us cut the cost of dies... and a steel-press plant that will enable us to make more of our own automobile bodies. These are in addition to the plants we already had for producing glass, iron, steel, plastics, and many other things.

We don't supply all our own needs, of course, and never expect to. The Ford engine is one thing

Henry and Edsel Ford, on the occasion of the 35th anniversary of the founding of the Ford Motor Company, June 16, 1938

that no one's hand touches but ours. Of nearly everything else we use we build some quantity ourselves, to find, if possible, better and more economical ways of doing it. The experience and knowledge we gain are freely shared with our suppliers, and with other industries.

We take no profit on anything we make for ourselves and sell to ourselves. Every operation, from the Ford ships which first bring iron ore to the Rouge, is figured at accurate cost. The only profit is on the finished result—the car or truck as it comes off the line. Some years, there is no profit for us. But we see to it that our customers always profit. A basic article of our business creed is that no sale is economically constructive unless it profits the buyer as much as or more than the seller.

Our new plants have helped us build more value into all our cars for 1939. That means more profit on the purchase to the purchaser.

We have not cut quality to reduce costs.

We simply will not build anything inferior.

NEW TESTING EQUIPMENT

While we were putting up new plants to produce cars, we constructed new equipment to test them. The first weather tunnel of its kind ever built for automobile research went into operation at our laboratories this year.

It makes any kind of weather to order. The weather it delivers every day would take months to find in Nature. Our cars are weather-tested to give you good service in any climate anywhere.

In other tests, every part of the car is punished unmercifully. Then our engineers tear it down to see if they can find abnormal wear or any sign of weakness.

The money we spend on tests saves you money on repairs. And your family car is safer and more dependable when we put it in your hands.

THE NEW CARS

We have two new Ford cars for 1939—better cars and better looking—but we also have an entirely new car.

It's called the Mercury 8. It fits into our line between the De Luxe Ford and the Lincoln-Zephyr. It is larger than the Ford, with 116-inch wheelbase, hydraulic brakes, and a new 95-horsepower V-type 8-cylinder engine.

We know that our 1939 cars are cars of good quality. We think they're fine values in their price classes.

With new cars, new plants, new equipment, the whole Ford organization is geared to go forward.

L. W. FRANCIS

At 9:30 A. M. Wednesday, November 2, Miss Estelle Newsome and L. W. Francis were united in marriage with a double ring ceremony at the home of Mrs. Stevenson in McCaulley with Rev. Jackson, pastor of the Church of Christ, of Hamlin, officiating.

Mrs. Francis, the charming daughter of Mr. and Mrs. O. C. Newsome of Hamlin, was before her marriage a nurse at the St. Vincent Hospital in Sherman.

Mr. Francis, son of Mr. and Mrs. G. W. Francis of Tom Bean, is chemist with the Kimbell-Diamond Milling Company at Sherman.

The bride wore a teal blue alpaca dress with black accessories. Her corsage was of rose buds and pink carnations.

BETA SIGMA PHI HONORS

SPONSOR WITH TEA

The members of Beta Theta chapter of Beta Sigma Phi were hostesses for a lovely seated tea when they entertained in the home of Mrs. A. K. Pardue, sponsor, on Central Avenue, Sunday afternoon, to honor Mrs. Holly Toler, who has recently been elected as the director of the sorority.

Guests were greeted by Miss Edwina Gilbert, president, who introduced them to the honoree and to Mrs. Edith Smith, guest speaker from Abilene.

Miss Ernestine Weatherford, directed guests to the dining room where Mrs. Pardue and Miss Elsie Wienke presided at the lovely tea services. Assisting with the serving were Miss Hermona Shadle, Miss Monique Ferguson, Miss Pauline Harrell, and Mrs. Gerald Morgan.

The yellow color note was emphasized in the tea table which was laid with an imported lace cloth with

a central arrangement of yellow roses. On either side of the center piece were crystal holders containing yellow tapers. The plate favor was a cleverly wrapped package of matches inscribed in gold with the Beta Sigma Phi insignia.

Miss Nadine Morgan and Miss Ruby Thompson directed guests into the living room where they were seated.

Miss Thompson introduced the program which consisted of two numbers. Miss Edwina Gilbert played a piano selection, "The Etude in G Flat" by Liszt. Mrs. Smith brought a most interesting and delightful address on "Communication."

Enjoying this pleasant afternoon with the hostess, honoree and guest speaker were Misses Alpha Moore, Faye Duncan, Francis Eddy Beck, Doris Pope, Virginia Jones, Elva Greenway, May Gay, Bernice Whiteley, Ruth Knox, and Meses. COMFORT QUOTIENT

Now comes another instance of that ability to combine common place raw materials into totally new and useful products, which has made American industry great. Several furniture companies have announced this year a new kind of furniture bringing into the home a novel product developed in the laboratories of a large rubber company in Akron, Ohio. The feature of this furniture is not a fluff of old-fashioned feathers or down, or a bit of wadding, but decking made of, sterilized animal hairs dipped in liquid rubber. Woven in a figure-eight pattern and vulcanized, this material known as nukraft now takes rank in importance with the once-revolutionary spiral spring, as a contribution to furniture comfort, according to interior decorators. Merchants in some 300 towns and cities will display this new furniture shortly but before the debut was possible the manufacturers made hundreds of test to prove that sterilized animal hairs plus rubber could give the furniture industry an upholstery which would prevent springs from working through and revolutionize wear standard. Nukraft is already used in seats for trolleys, busses, planes and theatres, it is reported.
